New Waltham Academy Breakfast and After School Club provides quality childcare that incorporates the high standards, values and ethos of the school. We plan activities that are fun, age appropriate and educational; and that support the learning that takes place during the school day. This is all provided within a friendly, supportive and safe environment.

We have a team of experienced staff - many of whom have other roles within school - who follow a timetable of carefully planned and structured activities. Activities include:

Fun science	Art and Craft	Sports
Board games	Construction	Small-world play
ICT / iPads	Role play	Den building
Cookery	Film club	

The club promotes self-directed play as well as focused, adult-led activities - all providing play opportunities that aid the development of the children and meet their individual needs and interests.

After School Club

All children are taken to the Wraparound care building by an adult, where the register is taken.

Snacks and Tea

Whilst snacks are available in club, parents are welcome to provide their child with a packed tea.

Own Toys

We offer numerous activities, including ICT items, for children. Club insurance does not cover personal items such as toys, games consoles, iPads, mobile phones, etc. We therefore stipulate that children do not bring these to club. We do not want any loss or damage of personal items to cause upset to your child.
